

Air1 Radio is only one of two stations in my area that plays music that reflects my beliefs. Without Air1 my daughter and I would be left with some station that plays music that is strongly different than my beliefs. Air1 is a positive alternative to the crud that is in our community. I believe it is in the public's interest to keep Air1, it gives us a positive choice, and my family and friends are very thankful for the freedom of choice that we now have. Please keep things the way they are. WE LOVE OUR AIR1!!!!
